KAREN’S KEYNOTES

SPEAK LIKE YOU BREATHE

How To Be A Naturally Confident, Authentic Speaker And Increase Your Impact

In today’s economy it doesn’t matter who you are, the real question is; are you relatable? It’s about building trust through your communication.

It’s no longer enough to be a good communicator, it is essential to be an authentic and effective communicator who knows how to CONNECT, ENGAGE and INSPIRE action.

Attendees will learn how to:

- Learn the difference between hearing and listening and how it directly impacts how they communicate & who you are as a leader
- Learn how to strengthen their personal brand through their verbal and non verbal communication skills
- Increase their confidence and impact without appearing over powering
- Learn how to be vulnerable, not appear weak, not lose their poise and gain respect

PERSUASION NO MORE! THE ART OF AUTHENTIC COMMUNICATION:

Connect, Engage, Empower & Inspire Action with Every Word

Persuading people is so archaic! People don’t want to be persuaded, they want to be inspired and empowered to choose, decide and take action. This keynote will show you exactly how to have conversations that empower your clients and your colleagues to choose you, your services or your products.

Attendees will learn how to:

- Easily and quickly build allies through their communication
- Better connect on an emotional level with their audience, clients and colleagues.
- Learn how to instantly connect with their listeners within in the first 60 seconds
- Use powerful engagement techniques to inspire action.
